RE: Letter of Recommendation

Dear Fellow Physician:

My venture into solo practice 3 years ago has been fraught with insurance, billing and Medicare nightmares. I thought I would have to close my doors several times, not for lack of business but for lack of payments. One shining light through all the nightmares has been Sue Brophy-Wagner. I call her my bull dog. When no one else could get action, she always could. I am completely impressed with her tenacity and ability to negotiate through the insurance, credentialing and Medicare morass. When my billers couldn't find answers, Sue always did. She has been one of my best allies in this business nightmare we call medicine. I look forward to working with her in the years to come; I can't imagine doing business without her.

Sincerely,

Ruth K. Anderson, MD
