RE: Letter of Recommendation

Dear Fellow Physician:

Silvio Hoshek, M.D.

Rosalinda Menoni, M.D.

Margaret Wacker, M.D.

Darryl Warner, D.O.

I am pleased to write a letter of recommendation for Sue Brophy-Wagner and her company, Professional Credentialing Services. I moved to California about five years ago after practicing in Texas for twenty years. I had a bad experience with the first billing company that I used for credentialing. I was lucky to find Sue who did a first class job in helping me with all of my credentialing. She is not only accurate and meticulous, but is proactive. That is she looks ahead and anticipates credentialing requirements before the date that documentation is due.

The service that Sue provides is first class. She solved my headache at a very reasonable rate and I would recommend her to any physician, especially in a small practice where this function is out-sourced.

Sincerely yours,

A handwritten signature in black ink, appearing to read "David W. Duffner, M.D. MBA". The signature is fluid and cursive, with a large initial "D" and "W".
